A photograph of a restaurant table set for dining. The table is a light-colored wood. In the center, there are three glass vases with floral arrangements. The vase on the left contains white and pink flowers with a blue and white striped straw. The middle vase has pink buds and green leaves. The vase on the right has white flowers and large green leaves. There are several glasses: a tall one with a drink and straw, two with water, and one with an amber-colored drink. White plates are placed around the table. A dark menu with 'BRIX' in orange letters is in the foreground. The background shows grey upholstered chairs.

SPACES

BARREL ROOM

Our mezzanine Barrel Room can accommodate up to 14 people seated and approximately 25 people standing. This is a great space for smaller group mingling, private dining or customised experiences. With a great view of the distillery and still accessing some of the atmosphere from the main bar.

THE BAR

The lower bar area can be structured in a few different ways and can accommodate larger standing (cocktail-style) set ups or seated lunches or dinners.

FULL VENUE

The full venue can hold up to around 120 people cocktail-style, perfect for big group celebrations, corporate functions, exclusive events, even weddings!

A photograph of a restaurant table with a wooden surface. In the foreground, there is a white oval plate with a gold rim containing a piece of meat, possibly lamb chops, garnished with green onions and a dollop of orange sauce. To the left of the plate, several wine glasses are lined up on a wooden tray, some containing white wine. A glass of water is to the right of the plate. In the background, another plate with food is visible. The text "FOOD & DRINKS" is overlaid in white, bold, sans-serif font across the center of the image.
