Some items pose a risk of staining the heritage sandstone floors such as: red based foods, red wine, rose, jus, berries, oils and the like. Verandah matting is in place for all catered events using the front outdoor area of the property. Please ask our team for additional information.

Linen requirements: some furniture pieces are required to be protected from food & beverage; it is the responsibility of the caterer to provide this linen. The venue can confirm a detailed list of quantities and sizing during the event coordination stage.

IMPORTANT INFORMATION

EVENTS

A booking is not considered confirmed until a signed contract and 50% deposit has been received by your Venue Coordinator within 14 days (your balance will be due one month prior). For bookings less than 90 days out, the full venue hire is payable. Other areas of the site do not form part of your venue hire, unless outlined on your contract.

MUSEUM OPENING & NEIGHBOURS

Please note the property is open as a museum on a Sunday and Monday from 10am to 4pm. In consideration of our neighbours all events must conclude by 10.30pm.

EXCLUSIVITY

We offer events on an exclusive use arrangement.

SET-UP & PACK-DOWN TIME

Please note that your contracted 'bump-in' and 'bump-out' times, also referenced as setup and pack-down times, are non-exclusive and may overlap with another booking before or after yours. Additional access time can be made available upon request at an hourly rate pending availability.

PHOTOS

All photography is available in internal and external areas of the site as guided by your Event Supervisor on the day.

HIRING ARTHUR MCFI HONF RESERVE

Elizabeth Bay House can be hired in conjunction with a ceremony booking at Arthur McElhone Reserve (this is to be booked by you directly via City of Sydney council). As part of this, we can offer the house as a wet weather back-up. In ideal weather, we can provide access to the house for bathrooms (the reserve does not have amenities) and wedding photography during your ceremony hire time (available from 4.30pm on Sundays).

FURNITURE & STYLING

Elizabeth Bay House is a beautiful space within itself, florals, furniture and décor information must be provided to our team at least one month out from your booking, to ensure it meets curatorial requirements. Freestanding structures such as floral arches or trusses are required. We have a range of recommended suppliers for styling services. The furniture and styling options seen throughout our wedding kit were provided by the team from Divine Events, and beautiful florals by Kiko Designs.

CATERING & ALCOHOL SERVICE

We operate under the guidelines and restrictions of the Independent Liquor and Gaming Authority and are bound by their regulations. Due to heritage conservation requirements, red wine & rosé can only be served for seated Dining Room receptions at the Dining Room table only. A Liquor License must be held by the Caterer for all events involving the service of alcohol, and this license must be supplied to the venue ahead of the event. As the house contains original flooring and collection pieces, caterers must adhere to set guidelines. We will engage with your chosen caterer to confirm your chosen menu, setup, service & delivery of catering.

PARKING

Elizabeth Bay House has very limited onsite parking. We can arrange parking onsite for 1 x wedding car, and 1 x catering vehicle. Other suppliers will have limited access to the site for set-up and pack down prior and post guest arrival and departure.

WINTER

Due to the age and nature of the property it can become quite cold in the winter months. During June, July and August a 10% discount can be applied to the venue hire rates.

MUSICIANS

Musicians are permitted onsite, and power is available. We recommend strings, and smaller acoustic style bands. In consideration of our neighbours and local residents, amplification is restricted to internal areas only.
