OASIS

The background image shows a rooftop terrace at night. On the left, there are two large, vertical columns of red and white balloons. People are standing and talking near these columns. In the center and right, there are large potted plants and a white brick wall. A group of people is sitting on a curved sofa in the foreground, facing away from the camera. The terrace is lit with warm, ambient lighting, and a heater is visible on the wall. The overall atmosphere is cozy and social.
