TRAMP

THE CLUB

Nestled on one of the most beautiful streets in central London, 40 Jermyn Street is the home to Tramp. Set across two floors, the Club offers space for dining, entertaining and partying.

The basement houses the original part of Tramp, where our restaurant and discotheque are located. On the upper floor is the Gold room and Terrace which were added to the Club around ten years ago.

MULTIPLE SPACES

The Club can either be booked exclusively with access to all the spaces or alternatively different spaces in conjunction with one another. Each room can either be used for a standing drinks reception or for a seated dinner, subject to availability.

THE ZODIAC ROOM

A magnificent plasterwork ceiling depicting each of the Zodiac signs watches down on the room that functions as our restaurant at Tramp. The columns surrounding this room balance the constellation above presenting the four architectural orders: Doric, Corinthian, Ionic and Tuscan. Recently commissioned artwork fills the panels with lucid visions of each star sign. The flickering candles on the tables within lend this majestic room an air of otherworldly magic as the backdrop to your event.

The lighting can be adjusted to suit your event including uplighters and illumination of the Zodiac ceiling. An alcove at the far end of the restaurant can be set up as a small stage for a three-piece band or for a DJ (reduces capacity by ten people). Tramp can also supply a mobile DJ booth at no extra cost.

THE DISCOTHEQUE

Perhaps the most ornate discotheque in the world. This spacious room is the beating heart of Tramp through to the early hours of the morning. Intricately carved gargoyles adorning the 17th century paneling watch upon the storied dancefloor. High above glint the Irish crystal Chandeliers that once hung in the halls of the Rothschild palaces. The Discotheque is an extraordinary backdrop for your event that comes alive in a sensory juxtaposition of old and new.

The space can either be set up for dining or for a standing reception. The room has a fixed DJ booth, projection screen and Tramp can also supply a small stage (reduces capacity by 10 people) as well as PA facilities at no extra cost.

Dining Capacity – 70
Standing Capacity - 100

THE GOLD ROOM

The Gold Room is inspired by the Art Deco era. Dark walnut paneling is emblazoned with fiery orange Art Deco paintings commissioned by Tramp. Low lighting, corner sofas and its own bar lend the Gold Room a private and refined ambience which works well for smaller groups. The Gold Room also benefits from direct access onto our garden terrace which is the outdoor space at Tramp.

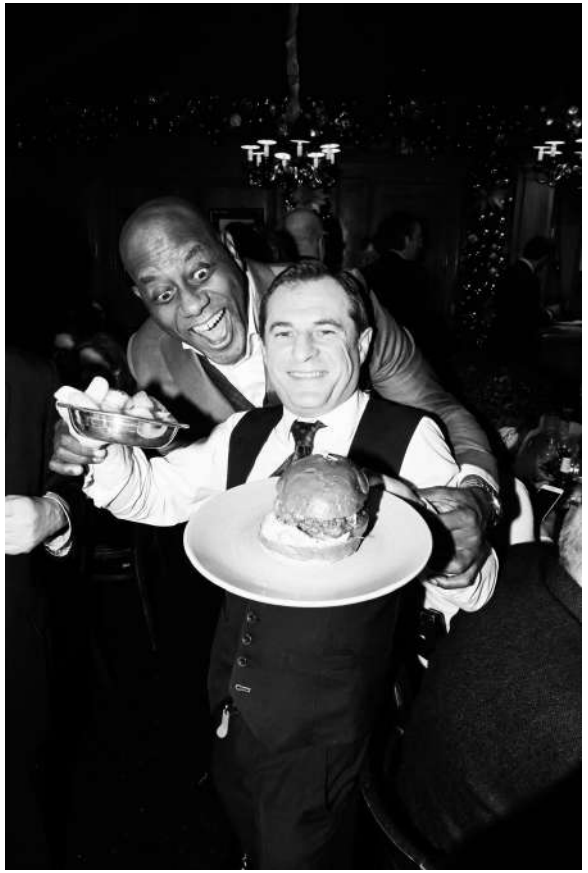
The room comes to life for private standing drinks receptions and canape parties. Tramp can supply a mobile DJ booth at no extra cost as well as PA faciltiies. The room also benefits from a drop-down television screen if required.

Standing Capacity - 50

MOUTH WATERING MENUS

Our head chef and head bartender craft seasonally changing menus from the best and freshest ingredients available. Our events team will be able to provide sample canape, set menus, wine and cocktail lists to give a feel for what we can do. Ultimately, we will work with you to tailor the perfect choice of food and drink for your special occasion.

A HOME AWAY FROM HOME TO DINE, ENTERTAIN AND PARTY



Whatever your event or special occasion, our team will do everything they can to give you and your guests a truly memorable evening. Tramp will be your home away from home to relax and enjoy your event.
