Broadcast Capabilities

indigo at The O2 has been designed with the latest technology and fully wired broadcast infrastructure with one outside broadcast position. Inside the venue, there is a total of 9 strategically placed Media Panels (connectors include SMPTE, Triax, Fibre, HDSDI, XLR). A list of locations and connections is available on request.

Indigo has a Broadcast style Gallery located out of the main space. The gallery can be used to mix the in house cameras and external feeds as required.

DRINKS PACKAGES AND BAR PRICES

indigo at The O2 operates bars in-house so we can work with you on your drink requirements whether it be a bespoke drinks package, an open bar or a minimum bar spend arrangement.
