# Introduction

---

*At Midnight Hotel Autograph Collection,*  
we take pride in integrating sustainable  
practices across all aspects of our  
operations.

Our commitment to environmental  
stewardship is reflected in thoughtful  
initiatives designed to minimise our  
impact on the planet while delivering  
exceptional experiences to our guests  
and clients.

# Key Sustainability Initiatives

## Energy Efficiency

Motion-sensor lighting in hotel corridors and conference rooms ensures lights are only on when necessary, reducing energy consumption.

## Eco Friendly Amenities

Guest bathrooms are equipped with refillable bottles for shower products, significantly reducing single-use plastics.

## Locally Sourced and Sustainable Products

Our chefs at Braddon Merchant and Midnight Bar source local and sustainable ingredients for conferences, events, and restaurant menus, supporting local farmers and reducing food miles and our carbon footprint.

## Carbon Offsetting

As we are a Marriott hotel, through Marriott's sustainability initiatives, we provide carbon offset options for events, contributing to global environmental efforts.

# Key Sustainability Initiatives

## Local Partnerships

We feature locally made products in our minibars, supporting regional businesses and minimising transportation - related emissions.

## On-Site Gardening

Fresh herbs and select ingredients are grown by our chef in the hotel's internal atrium and outdoor bar garden, ensuring sustainability and freshness.

## Seasonal Menus

Our menus are crafted around seasonal produce, reducing environmental impact and promoting sustainable farming practices.

## Support for Local Wineries

As we are a Marriott hotel, through Marriott's sustainability initiatives, we provide carbon offset options for events, contributing to global environmental efforts.

# Key Sustainability Initiatives

## Paperless Operations

For conferences and events at Midnight Hotel, event planning, contracts, banquet event orders, and invoices are entirely digital, reducing paper usage and waste.

## Digital Signage (Coming Soon)

We are implementing digital signage throughout the property to eliminate printed materials while enhancing flexibility and communication for events held at the hotel.

## Electric Vehicle Support

Complimentary EV charging stations are available in our car park, encouraging guests to choose eco-friendly travel options.

## Encouraging Digital Practices

Delegates are encouraged to bring their own laptops to reduce the need for printed materials. However, we do provide stationery (available upon request) for those who require it.
