MEETING?

We're a country estate hotel with a Michelin-starred restaurant, bakery, cookery school, kitchen walled garden and 45 acres to play in. We specialise in exclusive use, bespoke retreats.

Our food-driven estate connects with more than just minds.

We don't do board meetings. We create experiential escapes for your team.

You'll be in the hands of our Michelin-starred chefs, wine guides, whisky geeks, mixologists, our wellness doctor, organic growers and business coaches.

Make memories that landmark your company's story.

IMPACTFUL
TEAM MOMENTS...

HAPPEN BY
DESIGN, NOT

01. REST
02. RECONNECT
03. RE-IMAGINE
04. RESTORE
05. REVEL

01. REST

Why: Like good wine, transformational time together needs air to breathe. Give everyone the space to take off the metaphorical tie and loosen up.

When: Arrive after work, head down to Smoke.

What: Smoke is set in rustic brick building in the walled garden. The perfect vibe to brush away the rigidity of the usual routine.

Dinner in Smoke is all about down-to-earth comfort; with meat roasting on the fire and vegetables plucked fresh from the walled garden.

Firepits on the terrace to follow.

15 luxurious bedrooms await after dinner.

02. RE-CONNECT

Why: The best thinking happens when your team members are open, curious and connected. Shared experiences stimulate learning.

When: Mid morning or afternoon. Break up your day with energising, engaging activity. (Whisky tasting available pre or post dinner.)

What: Flavour your team time with a hands-on bread making workshop, garden or cookery workshop or an interactive tasting with artisanal teas, wine or whisky.
