

COURTYARD

The courtyard is a bright and open space, perfect for casual groups wishing to enjoy the Melbourne sunshine.

With undercover booths and TV screens, it is the perfect setting for a relaxed get together with friends.

The Courtyard & Stables may be exclusively reserved together for larger parties.

The Courtyard space may only be reserved until 10pm due to our licensing permits and all guests must move inside at this time.

*Please speak to our functions manager today for further information.
