IMPORTANT INFORMATION

EVENTS

A booking is not considered confirmed until a signed contract and 50% deposit has been received by your Venue Coordinator within 14 days (your balance will be due one month prior). For bookings less than 90 days out, the full venue hire is payable. Other areas of the site do not form part of your venue hire, unless outlined on your contract.

WET WEATHER

In the case of wet weather, you can host your ceremony in the contemporary glass bar, before guests move into the Gold Melting Room for your reception. For a ceremony only, this can be hosted in the Gold Melting Room.

EXCLUSIVITY

We offer weddings on an exclusive use arrangement on weekends, outside of any private bookings in our onsite restaurant. Please note the property is open to the public Monday to Friday until 4pm and operates as Museums of History NSW head office; in which instance the venue is partially exclusive on weekdays and private event signage is in place to redirect patrons away from your event.

SET-UP & PACK-DOWN TIME

Please note that your contracted 'bump-in' and 'bump-out' times, also referenced as set-up and pack-down times, are non-exclusive and may overlap with another booking before or after yours. Additional access time can be made available upon request at an hourly rate pending availability.

TIME

Additional access time can be made available upon request at an hourly rate in some circumstances.

FURNITURE & STYLING

The Mint is a beautiful space with a stunning mix of heritage and contemporary features. However, should you require additional styling – including florals, furniture and décor – our team can recommend reputable suppliers who have worked in our venue before. Please do not hesitate to discuss this with your Wedding Venue Coordinator.

PHOTOS

All photography is available in internal and external areas of the site as guided by your Event Supervisor on the day.

CAKES

Cakes via an external supplier are permitted, and can be discussed directly with Pearl Catering for delivery and service. Please note we do not permit any bright coloured icing, chocolate mud, or berry cakes that could stain the heritage sandstone. The venue can provide a cake table & knife on the day of your booking.

MUSICIANS

There are no noise restrictions on site in the evening, and musicians are permitted. We can provide armless chairs for your musicians. Feel free to ask our team for recommendations.

PARKING

The Mint has parking onsite for two bridal vehicles (seven days a week) and up to three additional spaces for your suppliers such as a band, photographer and stylist (weekends & after 5pm only). There is on-street parking on Hospital Road, or at the Domain carpark, which has a flat rate after 5pm and on weekends. High powered vehicles and motorbikes are not permitted on site.

CLOAKING

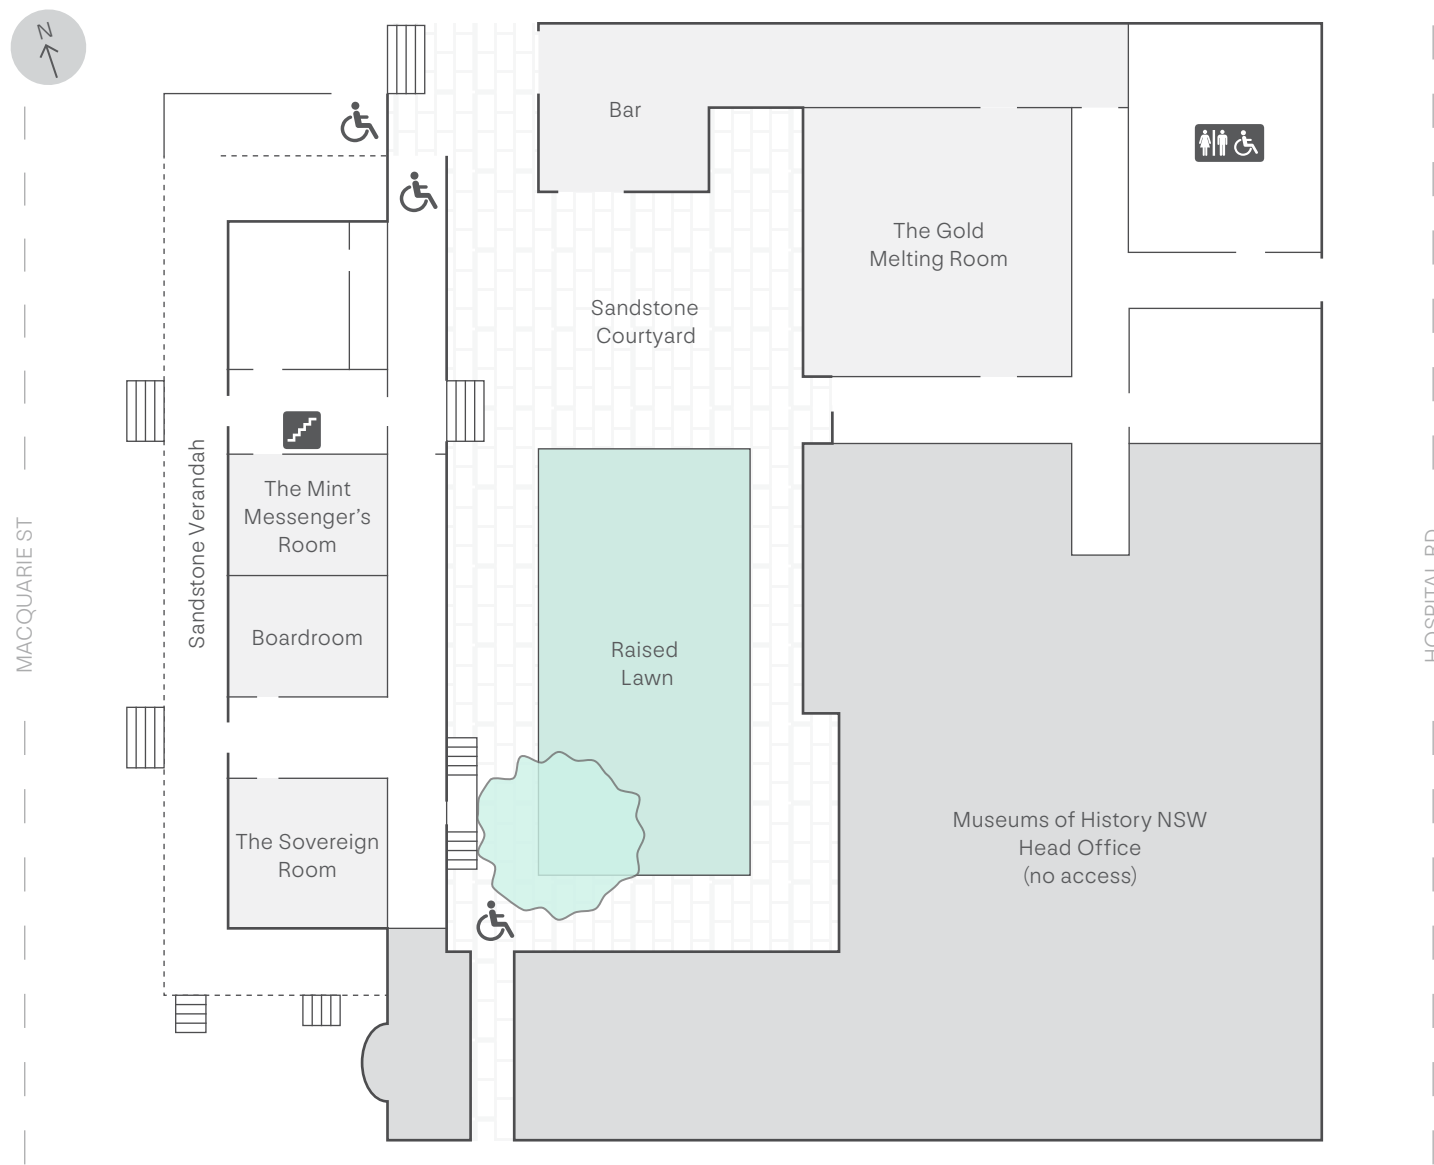

Cloaking services can be made available on request, and quoted accordingly.

CONDITIONS

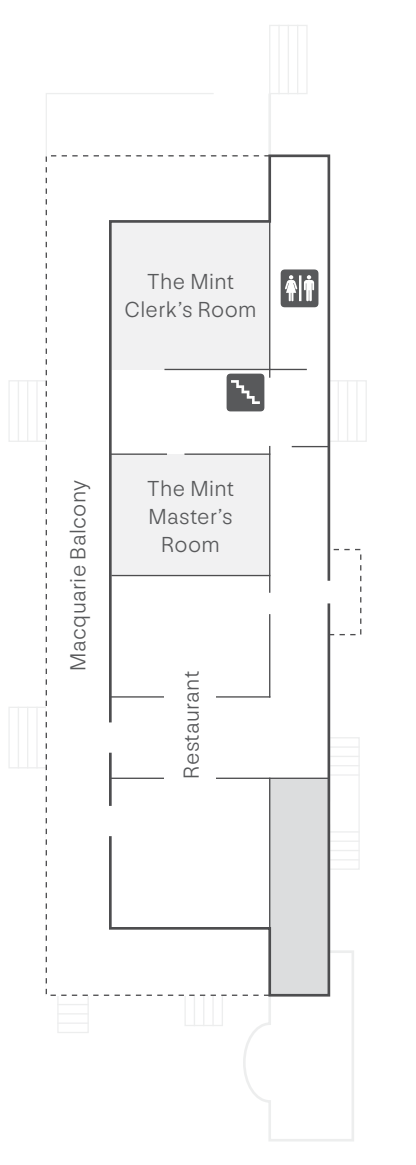

Rose petals, rice, glitter and the like are not permitted. We recommend bubbles as an alternative. There is no smoking on our sites, this includes vaping. We operate under the guidelines of the Independent Liquor and Gaming authority and are bound by their regulations. There is no BYO alcohol on our sites. We do not permit the use of drones on our sites. Wax candles and open flames are not permitted unless for a religious ceremony. You cannot attach or fix to any buildings, trees, or the like on our sites. Damage or breakage to the property will result in fines and additional fees.
