Boutique in size, The Windsor features 180 beautifully appointed rooms and suites in keeping with the hotel's timeless character.

This is one of the rare hotels with architectural quirks: circular lounge rooms overlooking historic Parliament House in the Windsor Suites, stained glass doors and fireplaces in the Victorian Suites, and a clawfoot bathtub in the Royal Suite.

Formerly residences, the Victorian Suites are larger in nature, with separate sitting, living and dining rooms. The Royal Suite is the hotel's crown jewel, hosting film stars and royalty in its illustrious past.
