

The Studio Platform

A VIRTUAL & HYBRID EVENT EXPERIENCE

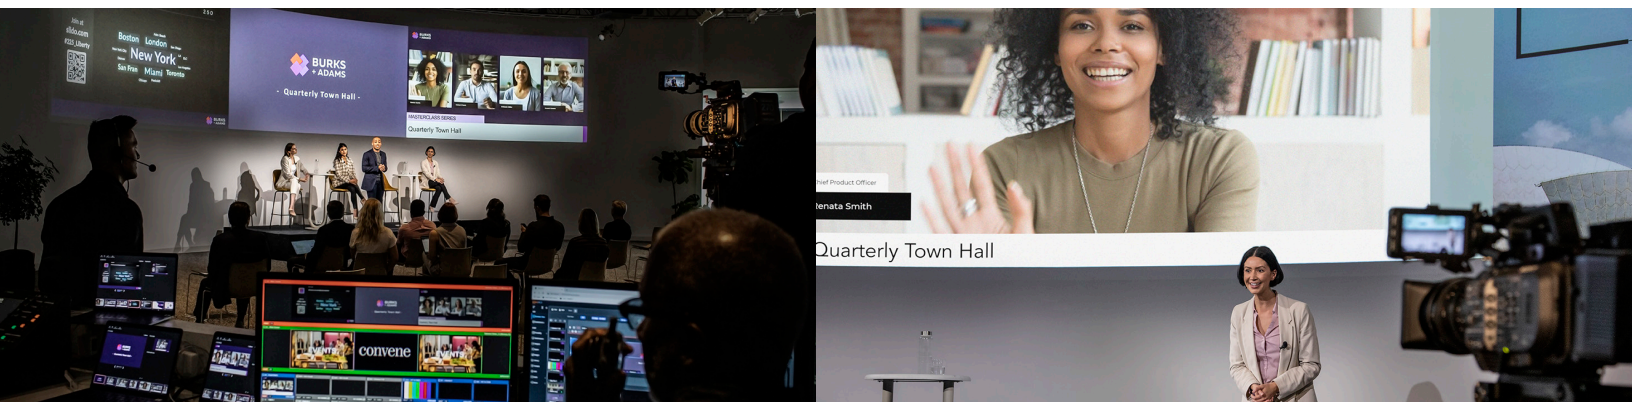

Create a virtual or hybrid experience that people will remember.

Go beyond the everyday virtual event and create an experience for attendees and speakers alike - no matter where they are in the world.

The **Convene Studio Platform** goes beyond the average event technology. With all of the essential platform functionalities that make virtual and hybrid events possible, our platform was specifically designed for meeting and event **flexibility** and **ease-of-use**. We do the heavy lifting for you.

From pre-event setup to production support to post-event content hosting, our technical experts work with your teams to design and produce a seamless experience.

Hybrid: Where in-person engagement meets virtual convenience.

SOPHISTICATED SPACES

Elevate your in-person experience by hosting your event at a Convene. From charming aesthetics to artful use of space, our dedicated design and product teams carefully dream up our meeting & event spaces to integrate with our technology and services.

UNPARALLELED SERVICE

The Convene staff and operations teams hail from some of the world's most prestigious hotels and hospitality partners. We pride ourselves on providing an unparalleled level of premium service.

IN-HOUSE PRODUCTION & TECHNOLOGY

Each Meeting & Event space is fully equipped with essential event technology to showcase event content and speakers. Our in-house control rooms were created to support best-in-class event production for events of all shapes and sizes.

A POWERFUL EVENT PLATFORM

Power your hybrid event and reach your virtual audience through our platform. We offer live streaming and pre-recording to fit your program content. Encourage hybrid interactivity through our engagement features or ask us about platform integration through another platform.
