WE LOVE A GOOD PARTY!

Whether it's a birthday party, engagement, Christmas event or just a good old fashioned get together - we've got you covered.

We have two beautifully designed, unique and private bars available to host your next event.

Mona Lisa's Lair is heaven for those that like to tinkle with a glass of Champagne on a velvet lounge settee, and **The Gin Parlour** is stacked with 105 different Gins for you to try - safe to say this bar is built for all the Gin lovers out there!

Both spaces offer a variety of event packages tailored to suit you and your parties needs.

MONA LISA'S LAIR

Champagne Bar • Capacity 30 to 60 guests

Mona Lisa's Lair is the newest edition to Miami Marketta! Hidden behind the wall of stained glass windows, this space was inspired by the romance and beauty of the Champagne region in France.

Complete with a full Champagne menu that covers all of the major houses - from **Moët & Chandon** to **Dom Perignon** - this is the space for decadence, bursting in lavish detailing, it calls for a night of spoiling yourself.
