THE PLAYROOM

Sitting above the famous main bar, The Playroom can host 30 to 70 people at a time and packs a punch with its collection of vintage games. Alongside retro pinball machines, there's air hockey, vintage foosball tables, classic arcade games and even a karaoke machine tucked away in the corner.

The Fridge will be stocked with your favorite drinks, with Aux wires available for playing your own music. Room service can be included along with food from downstairs.
