Crystalbrook Flynn

Social butterfly

Crystalbrook Flynn is the younger sibling to Crystalbrook Riley and Crystalbrook Bailey in Cairns, and like many younger siblings, Crystalbrook Flynn likes being at the centre of attention and doesn't mind showing off from time to time.

Fun and energetic, be prepared to be entertained at Crystalbrook Flynn, from exquisite glass swimming pools and zen-filled wellness and meditation spaces to dynamic food and drink experiences where there's always a DJ ready to play and a martini ready to be shaken.

Crystalbrook Flynn likes to entertain our guests... not just accommodate them. Staying with Crystalbrook Flynn is a stimulating experience: fast and free Wi-Fi available in all public spaces, while each room and suite has an Apple iPad control centre, STAYCAST by Google for video streaming, access to hundreds of complimentary movies and Nespresso machines (naturally with recyclable pods).

Located on the iconic Cairns Esplanade boardwalk, Crystalbrook Flynn features 311 stylish rooms and suites, three levels of restaurants and bars, an Elème Day Spa, a 24-hour gym and meeting spaces for up to 20 people.

A dining experience at Crystalbrook Flynn is not simply a reflection of the local culture, but a representation of the ever-changing natural surrounds of Cairns. Featuring local flavours and a mouth-watering selection of cuisine, the culinary options are unsurpassed.

Satisfy your carb-cravings with a hearty Italian spread at Flynn's Italian, treat yourself to a top-shelf whiskey or perhaps a classic cocktail with a twist at Whiskey and Wine, or feast on a smorgasbord of tasty feats at Boardwalk Social. There's something for everyone.

The impressive assortment of local and imported wines offered at our distinguished on-site bars will leave you spoiled for choice, but if wine isn't your thing, the creative cocktail concoctions will not disappoint.

#ResponsibleLuxury

Responsible Luxury and sustainability is at the forefront of the way Crystalbrook thinks and operates.

- Operating a single use plastic free environment. No plastic straws, water bottles or single use bathroom amenity bottles (in the past two years the Group has saved over three million plastic bottles from entering landfill)
- Farming our own beef
- Sourcing at least 80% of produce from within a three-hour drive of our hotels
- Use of technology, such as in-room tablet control centres and mobile check-in to create paperless environments and experiences
- Use of recycled and upcycled materials, including guest key cards made from recycled wood, coat hangers made from recycled paper, and toothbrushes made from sugar cane and corn starch
