

# Event Space Hire

*where your event comes to life*

**Fishburners**  
where startups grow

If creative ideas and a cool community culture is the right vibe for your next event, then Fishburners event spaces in the heart of Sydney is the venue for you.

With a rich history of some of the buzziest startup brands getting started here, Fishburners is the go-to place for your next corporate function, workshop, meeting or hackathon.

As a not for profit, the revenue generated from our venue hire is dedicated to inspiring and growing startups so that we can foster the jobs and innovations for a healthy economy and support our partners and the broader community to be future-ready.

# Catering

---

We have partnered with our in-house catering company Eurest to help organising catering for your event as seamless as possible. They provide a wide range of options such as full day packages to platters and canapes. Check out the full menu and pricing below.

Please note orders need to be placed 3 business days prior to the event by 12pm.

<https://fishburners.eurest.com.au/>

We require 1 bartender per every 80 guests at \$50 per hour, minimum 4 hours.

# Additional Services

---

## **AV Support Services**

Whilst basic AV is included in our event hire, we highly recommend our in-house AV technician. He can offer basic AV support so you don't have to stress about anything going wrong during your event and he can also provide live streaming/recording services so you can have a remote audience or can share your event for years to come. Price starting from \$220 per hour, minimum 3 hours.
