THE GRESHAM BACKGROUND

With the only Heritage Bar License in Queensland, *The Gresham* is steeped in history and traditions, providing a unique setting for gatherings and good times of all kinds.

With many significant events in the building's past, it's only right that we should continue to fill it with new ones, creating more chapters to the story that is *The Gresham*. So if you'd like to make a little history at your next event, we'd be more than happy to oblige.

Combining 'Old World' charm with the greatest rums, whiskies and wines in the country, whether you want to take over the whole venue or get intimate in *The Back Room* – we can make it happen.

Not only will you be celebrating in a piece of Brisbane's past, you'll be drinking in the 2015 and 2016 Bar of the Year – according to the *Australian Bartender Magazine Bar Awards*.
