WOOLLOOMOOLOO

ALBANY

Introduction

Welcome to a world full of wonder

At Ovolo, our pulse beats to a different drum, where every moment in every hotel is filled with delightful surprises, inspired individuals, and creative curiosity.

If you are seeking an inspired central setting oozing with quirkiness and eccentric vibes to transform an okay event into a something mind-blowingly amazing, well... you've found it.

Experience a place where wonders never cease.

The image shows the exterior of the Ovolo Woolloomooloo hotel. A reception counter is in the foreground with two staff members. The building has a blue facade and a corrugated metal sign that says "RECEPTION". A tree with yellow flowers is on the right.

Welcome

Welcome to Ovolo Woolloomooloo

What was once a vast echoing space is now ‘Ovolo-ised’ into an inviting laneway experience filled with vibrant colours, artworks and quirky surprises around every corner. Whilst the building’s old-school character has been carefully retained, much of the interior – including 100 guest rooms and multiple event spaces, is modern, fresh and vibrant.

Whether hosting a kick-ass conference or energetic event, we've got food cravings covered for everyone, and every palette.

At Ovolo, we believe in eating good, to feel good – so whatever food morsels you fancy, you'll be able to select from the very best. If you're catering for a mixed crowd, worry not. Whether vegetarian, normally-not-veggie-but-sometimes-flexitarian or non-vegetarian – our artful team offer locally-sourced food with a playful twist to create fresh, seasonal menus designed with our signature Ovolo flair.

So whatever your special occasion, whatever your culinary taste – we know it's going to be Event. Full.

Picture something. Wonder. Full.

Our priority is your safety.

At Ovolo Hotels, we have implemented rigorous safety plans at all our properties in response to the COVID-19 pandemic. Our practicable plans are benchmarked, leveraged, and implemented with our employees' wellbeing top of mind. By doing so, we will also be able to open our doors and welcome our guests back safely.

Our existing plans and practices at all sites follow Federal and State Health Department Guidelines, including:

- OCDC 'Obsessive Commitment to Deep Cleaning' Programme
- Risk Assessments of each property
- Limiting the number of people in public areas and confined spaces
- Access to face masks, gloves and wipes
- QR code check-in and proof of vaccination in relevant states
- Revised web booking system to assist with identifying guests who are vaccinated and or not
- Sanitisation stations and a host of other practices
- We will keep on updating these plans according to global best practice benchmarks.

At Ovolo, we always like a bit of good clean fun – but in light of recent events, we’ve upped the ante on our approach, so you can relax knowing you’re in good (thoroughly washed) hands.

Here are the hits we currently have on high rotation.

<p>#1</p> <p>DON'T STAND <u>so close</u> TO ME</p> <p>Sorry! 1.5 metres is as close as we can get to you these days (but don't take it personally, we'd hug you if we could).</p>	<p>#3</p> <p>Am I Ever Gunna See Your Face Again?</p> <p>Don't be alarmed by our staff's new accessories! They're currently wearing masks and gloves to keep everyone safe – but you'll see their pretty faces again soon.</p>
<p>#2</p> <p>Space Oddity</p> <p>When possible, we're leaving every guest room unoccupied for at least 24 hours between guests, so you can breathe easy.</p>	
<p>#4</p> <p>I Feel Fine</p> <p>When you roll up, we'll ask you to confirm you feel 100% healthy and symptom-free, and to let us know if anything changes.</p>	<p>#5</p> <p>RIGHT HERE WAITING</p> <p>Sorry, we've had to take away the buffets in our restaurants for now – but on the upside, you can enjoy being waited on hand and foot.</p>
	<p>#6</p> <p>So Fresh, So Clean</p> <p>We're doubling up on cleaning and disinfecting guest rooms and public spaces – and we're making sure hand sanitiser and disinfectant wipes are always within easy reach.</p>
<p>#7</p> <p>U CAN'T TOUCH THIS</p> <p>Jokes – we're keeping all 'high touch' surfaces clean as a whistle, and we've removed some unnecessary bits and pieces from your room to minimise any risk.</p>	<p>#8</p> <p>MO MONEY, PROBLEMS</p> <p>We've got contactless payments available where possible, so you can leave your cash at home.</p>
	<p>#9</p> <p>Hot Stuff</p> <p>We're checking temperatures of all our staff before they start work, for extra peace of mind.</p>
<p>#10</p> <p>With A Little Help From My Friends</p> <p>Our staff are all getting plenty of hygiene training to help keep this a happy, healthy place to be. If they ask you to do something, please do us a favour and go along with it. After all, we're all in this together.</p>
