THE PERFECT SETTING

Situated on the Banks of the Swan River, just fifteen minutes from Perth CBD - Mounts Bay Sailing Club is a uniquely beautiful venue for a wedding, combining a stunning waterfront location with privacy and tranquility.

Perfect all year round, the Club can provide the ideal blank canvas to create your dream wedding. Offering both indoor and outdoor venue hire options that all boast spectacular river and city views to leave your guests speechless.

Our Club and Riverside Lawn are fully licensed until 12.00am, so whether you opt for a marquee lawn wedding or an elegant function room reception you can rest assured the party can continue until the early hours of the morning while our professional and very capable bar team look after your needs.

Unlike other venues, we do not have an in-house caterer, leaving you completely free to select one of your own choosing. The Club also have two large catering kitchens available for visiting caterers to use on both levels of the building, depending on the ultimate space you book.

Our Event Manager is available to answer queries and questions from Monday – Friday and is only too happy to organise a venue viewing, either during the week or on Saturday mornings

CEREMONIES BY THE BAY

The Club's lush green Riverside Lawn provides the perfect location for a completely serene and beautiful waterside Ceremony, offering a spectacular setting for your wedding photos.

Our Riverside Lawn is also only a 3-minute drive from the popular Matilda Bay, which is often used for ceremonies and receptions. Unlike Matilda Bay though, our lawn provides you with complete privacy so there is never any danger of the public interrupting your special moment. We are also a fully equipped function venue so once you've said your 'I do's' you can relax and let us take care of the rest along with your vendors.

So why not choose to incorporate the Swan River into your ceremony by making an entrance by boat? Or pop over to The University of Western Australia to take half of your wedding album in their lush gardens - it's only a two-minute drive from the Club!

By choosing Mounts Bay Sailing Club as your ceremony and reception venue we are confident that you will have the options available to achieve the wedding you want, without compromise and we look forward to working with you each step of the way.

In the event of poor weather conditions, indoor options may be secured for an additional fee.

THE RIVERSIDE LAWN

The Club's expansive lawn area, on the banks of the Swan, is a fantastic location for a marquee wedding, with this outdoor setting making the most of those uninterrupted river and city views. The Riverside Lawn is fully licensed and comes with a Riverside Bar, the undercover Matilda Deck area, BBQ facilities and use of our five varnished wine barrels along with most of the Club furniture.

Capacity: Cocktail - 2000 people | Sit-Down - 800 people

Venue Hire: Fri & Sat - \$2290 | Sun-Thurs - \$1840

Please note the lawn is unavailable on Sundays from October- April.

THE COL TAYLOR LOUNGE

As the smaller of our two function rooms The Col Taylor Lounge is perfect for an intimate reception or engagement party. Although it can accommodate sit down dinners, we find that cocktail receptions work best in this space. Full use of the balcony and adjacent bar lounge is also included in the hire price. Access to the catering kitchen is via Kilburn Hall and only one function room is ever hired out at a time on this level of the building.

Capacity: Cocktail - 100 people | Sit-Down - 80 people

Venue Hire: Fri & Sat - \$1255 | Sun-Thurs - \$920

KILBURN HALL

Located just opposite The Col Taylor Lounge, Kilburn Hall is the perfect winter wedding function room or traditional choice of venue space with an in-built dance floor, stage, and optional ceiling drapes with chandelier. The upstairs catering kitchen sits directly next door to this room, which also comes with full use of the balcony and bar lounge. Kilburn Hall is the ideal solution for those concerned about the weather. The large balcony doors provide access to full city views.

Capacity: Cocktail - 300 people | Sit-Down - 200 people

Venue Hire: Fri & Sat - \$1840 | Sun-Thurs - \$1485

EXCLUSIVE HIRE OF UPSTAIRS

If you feel like you need more space than one of our upstairs function rooms can provide, you have the option to hire the entire upstairs level of the Club as an alternative. Often couples having a buffet reception use this option to avoid bottlenecks in their main reception area. Alternatively, couples that need an extra area to change in sometimes choose this option too. Whatever you require the space for - by having that second room to use, you will have an extra space that provides enough separation from the main reception area but is still close enough to prevent any segregation of the function.

Capacity: Cocktail - 300 people | Sit-Down - 250 people

Venue Hire: Fri & Sat - \$2590 | Sun-Thurs - \$1840

EXCLUSIVE VENUE HIRE

At Mounts Bay Sailing Club, we hire our venue spaces out by level. Therefore, whilst we never allow more than one function on the same level, we may have a situation where there are two functions happening on opposing levels. i.e., the Riverside Lawn and Kilburn Hall. In this scenario we put measures in place to manage both functions separately and keep disruptions to a minimum for each client.

However, some clients prefer to exclusively hire the whole venue instead, which gives them free reign over the entire property and facilities. It also provides the peace of mind that only their guests will be at the venue on their special day.

This option often works very well for large weddings where more than one space is needed. Some couples choose to have their pre-dinner drinks enjoying the views from the balcony or use our function rooms as 'chill-out' and changing rooms for immediate family. Others, spread out on the Riverside Lawn and have their reception underneath the stars.

The Good news is that this is the option that provides you with lots of flexibility. The bad news is your guests may not want to leave!

Venue Hire: Fri & Sat - \$4590 | Sun-Thurs - \$3910

Capacity: Cocktail - 2500 people | Sit-Down - 1000 people

Please note the lawn is unavailable on Sundays between Oct - April

CATERING OPTIONS

Mounts Bay Sailing Club allows you the freedom to select your own caterer for your event.

However, we regularly work with some of the best catering companies in Perth so are happy to recommend these to you if you are unsure of where to start.

We also have experience and understanding of the type of catering that suits each of our venue spaces, so we can offer advice and guidance to you on this if required.

The Club has two large catering kitchens that service the ground and upper floors, and these are available for your caterers to use. Both come equipped with ovens, fridges, and freezers. All we ask is that the caterers leave the venue clean and tidy.

Please speak with our Event Manager for catering advice and to obtain a list of local, reputable catering companies.

BEVERAGE SERVICE & OPTIONS

When making your beverage choices for your wedding we have two formats for you to choose from. You can either choose a beverage package or create your own custom selection against your minimum spend or bar tab.

We are also happy for you to bring your own wine or champagne in and will just charge a \$18 corkage fee for each bottled opened on the day.

Our staff are well trained, have their RSA certification and offer an excellent level of customer service. Your function will be assigned the appropriate number of staff for your total guest number as well as an Approved Bar Manager to oversee the bar operation on the night.

Whilst we pride ourselves in the service, we provide we are unable to offer any catering waiter service or clearing. Therefore, arrangements for this will need to be made with your caterer in advance and usually come as part of their service.

In addition, whilst we are happy to offer tray service for up to 2 hours per event, we are unable to offer table service.
