

Passione Vino

We offer private wine tastings for groups above 4 people and up to 15. This is for a seated session; however, if someone is in the hunt for something a bit more casual, we can host up to 20 people for a standing event.

What to expect from the tasting?

You'll get the chance to taste 4 different wines. Through the flavours and perfumes of each wine you will be taken into and around one of the most beautiful and exciting country in the world, Italy!

We'll give a brief introduction of native grapes, terroir, and an in-depth explanation of a particular producer and why we choose it.
