

Energy Saving Policy

MEETINGS & EVENTS

As part of Imperial London Hotels commitment to the environment, meeting and event planners can expect efforts in place to support sustainable initiatives across the meeting experience.

1

DIGITAL COLLATERAL & SALES AGREEMENTS eliminate the need for printed materials and reduce the amount of paper waste sent to landfill

2

SINGLE USE-FREE MEETING SETUP removing items such as notepads, pens, coasters and flipcharts to reduce the amount of waste generated by the event*

3

REFILLABLE WATER in pitchers or bottles removes single-use plastic water bottles. Filtered water stations available for clients own water bottles

4

DIGITAL SIGNAGE throughout the hotel to assist attendees with wayfinding and eliminate the need for single-use signage made of paper or foam

5

REDUCED HVAC [HEATING, VENTILATION & AIR CONDITIONING] AND LIGHTING at times of low or no occupancy periods and during setup, teardown & overnight

6

LIGHTS to be switched on 30 minutes prior to the meeting and turned off immediately after the meeting has concluded.

7

AIR CONDITIONING to be turned on 30 minutes prior to the meeting and turned off immediately after the meeting has concluded. Room temperature set as default

8

LINEN/TOWEL RE-USE PROGRAM for overnight meeting attendees to minimise the water and energy consumption associated with frequent laundry cycles

*Items available upon request only
