# INTRODUCTION

A multi-level experience. A cultural movement. A destination. A historical icon. A party. A local treasure. With three venues under the one roof, The Abercrombie offers unique options for all kinds of events.

On ground floor is the Abercrombie's incredible club space, public bar, and beer garden. For a more relaxed atmosphere, venture upstairs to Casa Rosa, a playful, late-night Italo-disco cocktail lounge and rooftop terrace with an eclectic mix of DJs on high rotation throughout the week.

Head into the adjoining terraces, for Chippendale's late-night wine bar and shop, Lil Sis. Inspired by the charming 'cave à vins' found in the neighbourhoods of Paris.

Each venue has its own food, drinks and atmosphere, whether it's birthday cocktails on the Casa Rosa rooftop, an engagement with plenty of wine in Lil Sis, or after-work drinks in the beer garden, you'll find the space you're looking for at The Abercrombie.

The client and all of Senior management including the Global CEO were extremely happy with the event and the outstanding crowd and atmosphere. You have all been a pleasure to deal with and we genuinely appreciate your patience and being so accommodating of all ongoing questions and requests.

We hope you are also happy with the end result and how the party went on Saturday. If there are any other issues or questions from your end please do not hesitate to let us know.
