

# Since I Left You Private Functions

Thank you for considering Since I Left You (SILY) for your next event. As one of the first small bars in the city, we've been open for over 14 years, and private functions have always been a key part of our operation. We've held countless birthday parties, engagements, corporate functions, weddings, and we've even had a hand in a couple of proposals.

## **Simplicity Is The Key**

Two things are important.

Firstly, we have a legal capacity of 60 persons.

Secondly, a 6 hour exclusive hire of the venue incurs a guaranteed minimum spend on food and drinks, which varies depending on the day of the week:

- Mon///Tues - \$2500
- Wed - \$3000
- Thu - \$4500
- Fri - \$7000
- Sat/Sun - \$4000.

The minimum spend can be made up of bar tab, cash bar, or a combination of the two, but you will be liable should there be any shortfall on the minimum spend.

## **Timings**

Weekdays you can have the venue any time from 4.30pm until midnight.

Saturdays we are available midday to midnight

Sundays we are available from midday to 10pm.

## **Catering**

If you get exclusive hire of the venue we can make our catering menu available to you, which generally consists of the following:

- House marinated Sicilian Olives
- Guacamole and Tomato Salsa with Corn Chips
- Mini tomato Bruschetta
- Smoked Salmon Blinis with Gin and Tonic Creamed Cheese
- Kofte style meatballs, with a tomato chutney dipping sauce
- Nacho Tostadas

- Satay Chicken Skewers
- A selection of Gourmet Toasties cut into bite sized pieces

For a group of 60 I would recommend spending around \$1200 on food, and for that we put together a selection of all of the above, which comes out in a steady procession throughout the evening. But you could of course spend more or less, and we can vary the amounts of each accordingly.

We can also offer a large cheese and antipasto grazing table for \$600

If you're looking to do the Catering Menu and the Antipasti Table I can do that for \$1500.

No problem to bring your own catering in either, just be advised that we are not able to offer an area for catering to be prepped in.

Our current regular menu is available on the website ([www.sinceileftyou.com.au](http://www.sinceileftyou.com.au)), which has more information about drinks which are just charged on consumption.

## **Other Things**

Not a problem to decorate however you like, the only rule we have is no confetti or feathers. We're forever cleaning them up for months afterwards :)

In terms of music, you can either bring along a playlist which you can run through our system, but it is also possible to organise a DJ or band at an extra cost. If you're looking to bring in your own band, I need to know details beforehand as we do have noise restrictions that must be abided by.

If it rains there is more than enough space for the full 60 capacity across the inside area and the covered carriageway, plus we have a large 4x4m umbrella in the courtyard which adds quite a bit more space.

If you would like to go ahead with the booking we will need to get a \$500 deposit from you to secure the booking, but we can finalise all of that once you have confirmed.
