Make yourself at home

A very voco™ stay

What makes a voco™ hotel? Our name is derived from the Latin, meaning 'to invite' and 'call to-gether', so when you stay at a voco™ hotel, you can expect an experience that is warm and thoughtful, with all the indulgences of a luxury hotel.

Every voco™ hotel brings with it a fun and easy-going spirit, but when it comes to the high quality and standards that keep our guests returning time and again, we are as serious as they come. Reliable and dependable yet curiously different – that's voco™.

STAY

Your delegates will have everything they need to relax or work in our comfortable rooms packed with premium amenities and adorned with our signature voco™ flourish.

We offer 201 rooms across King, Super King and Twin Queen configurations along with four spacious suites with sun-set views and our most premium offering, the Waitematā Suite.

All rooms and suites boast lounge seating, a stylish bathroom, tea and coffee-making facilities, plenty of USB ports and intuitive lighting, a 55 inch smart TV with Chromecast and plush bedding offering cushy comfort.

RELAX & PLAY

After a busy day, delegates will love mingling by moonlight at our enchanting rooftop bar – the highest in New Zealand. Bar Albert's glamorous Art Deco design creates a sophisticated, sumptuous setting in which to enjoy a glass of champagne or a unique cocktail crafted by our talented mixologists. With sweeping views across Auckland and beyond and space to relax both inside or out on the terrace, Bar Albert will keep your guests entertained late into the evening. As for those wanting to stick to their health regime in between meetings and events, our fitness room is equipped with brand-new cardio machines and stations, and is open 24 hours.

EAT & DRINK

Our ground floor trattoria Mozzarella & Co. serves up breakfast, lunch, dinner and light bites, seven days a week. Guests can take their time in the morning over an à la carte breakfast, along with a caffeinated drink of choice from our special coffee program. The lunch and dinner menus hero Italian classics including artisan fired pizza and pasta favourites made with fresh, seasonal New Zealand produce – perfect for pairing with a glass of wine, a beer or an Aperol Spritz.
