FAIRGAME

WELCOME TO FAIRGAME!

Classic fairground games, reimagined. One unique, immersive experience. This is the funfair... exactly like you don't remember.

A brand new entertainment concept for adults only, Fairgame is bringing all the sights, sounds and non-stop fun of the fair to the heart of Canary Wharf. Those

fairground games to help us re-awaken our most joyous inner-kid are back – and this time they're hooked up to innovative RFID tech and digital leader boards.

With London's hottest street food vendors, unique event spaces and expertly crafted drinks menus to get the good times flowing, Fairgame offers the ultimate experience, all under one roof.

LET THE GAMES BEGIN!

From Roll-A-Ball Derby to Skee-ball. Shoot the Clown to Whac-A-Mole, plus a few old favourites in-between. In an innovative twist on iconic games, friends and workmates face-off for a fun-fuelled experience like no other. With every game hooked up to innovative RFID tech, our bespoke leader boards log gamers' scores and take bragging rights to a whole new level.

HOW TO PLAY

You play two rounds of each game back-to-back, and your best score will go through to the leader board in real time. You'll quickly get a taste for beating your best friends... or for margaritas and tacos.
