CORNER BAR

Nestled beside a fireplace in a secluded corner, your party can enjoy the vibe of the public bar and casual service in your own semi-private space. The Corner Bar has a standing capacity of 30 and suits 20 seated.

DINING ROOM

Light and bright by day, moody and intimate by night; the main Dining Room is the perfect spot to host long lunches and boozy dinners for up to 15.

A photograph of the Private Dining Room. The room features a large, dark brick fireplace with a wooden mantel. On the mantel, there is a framed picture of a bouquet of white flowers, a small silver light fixture, and a large green vase with dried flowers. To the left of the fireplace is a wooden cabinet with a glass display case. To the right is another wooden cabinet with open shelving displaying logs. In the foreground, there are several wooden tables and chairs. The floor is covered with a red and yellow patterned rug. The walls are a warm, light brown color. The overall atmosphere is cozy and rustic.

PRIVATE DINING ROOM

Tucked away from the bustle of the Main Bar, the Private Dining Room is the ideal area for an exclusive dining experience. Boasting its own fireplace for chilly nights or large windows to throw open on balmy afternoons the space is available for private use for groups of 15–30 seated or up to 40 standing.

LANEWAY

For a casual get together in an outdoor space look no further than an afternoon lingering in our leafy Laneway. A cool green oasis just off the Public Bar, the Laneway suits low-key groups of up to 30.

BEER GARDEN

With capacity for up to 80 and an outdoor bar within arms reach this space is crying out for garden parties all year round! A retractable roof ensures we can look after you whatever the weather and a mix of low and high seating keeps the space comfy for everyone.

The Beer Garden is suitable for small party bookings of 10–15 or sole use for 60–80.
