## FAQ'S

### Do you have a wet weather option?

We always do. Unfortunately, the one thing we cannot control is the weather. So we ensure every outdoor ceremony or reception has a wet weather alternative. The coinciding indoor space is chosen based on hotel availability.

### Can I bring my own food or beverage?

No food or beverage can be provided by external caterers as Rydges Resort Hunter Valley is a licensed venue. The hotel will ensure your menu is delicious and caters for all your guests, including dietary requirements and beverages chosen from our selection by you.

### Can I get ready on-site?

Absolutely. You can book a beautiful hotel room or villa for the preparation of your wedding. Spend a fabulous day with your bridal party and family getting ready and making memories for your special day.

### Can I organise my guests accommodation?

Rydges Resort Hunter Valley offers a personalised accommodation link for our couples to share with all their wedding guests. This can be utilised as guests book their own accommodation to their liking with their preferred room type and number of nights.

### I've booked, now what?

Your Wedding Event Coordinator will be there to assist you along the way.

Throughout this time, you will confirm & book a celebrant, photographers, a florist or stylist, entertainment, transport, and of course, your incredible wedding cake. We will organise a final appointment with you roughly six weeks to one month prior to your wedding. All final details will be given at this appointment, including final guest numbers, timeline, seating configuration, decoration choices with supplier information, and your chosen menu and beverage selections.

**Chloe & Michael**

We would like to say a big thank you for all of the hard work leading up to the day and especially on the day. The communication leading up to the day was everything I was looking for.

We would definitely recommend The Resort to anyone looking for a “hub” for their wedding. It was great to have the ceremony, photos and reception in one location.

We both look forward to coming back soon to celebrate our anniversary.”

**Charlotte & Andrew**

“We loved the accommodation, and we loved the reception venue. The bridal party and their partners stayed at the hotel. Also, it was like our own private place for a weekend. Our guests all had a great time, and all our guests had great things to say about the service, the food and, of course the drinks.

Everyone especially enjoyed the indoor/outdoor aspect of the Reception.”

**Sarah & Ben**

“We could not have asked for a better wedding day.

The Resort made our day perfect, even with the last-minute wet weather location change. All of our guests were very happy with the service during the reception and enjoyed their meal.”
