We cannot guarantee that cross contamination will not occur. Although we will endeavour to assist to the best of our ability, due to the severity of some allergies or intolerances we may not be able to satisfy all requirements.

**Weekends.** Minimum order \$1000. A surcharge of 10% applies on Saturdays and 15% on Sundays.

# US

Goodie Group is your trusted socially and environmentally responsible corporate catering and event company, based in the heart of Melbourne. The founders and staff have come from established hospitality backgrounds and excel in putting together creative and innovative food and events.

## THE ENVIRONMENT

We are truly environmentally friendly. Instead of vans we have our own fleet of cargo bikes for our CBD deliveries. Our production is fully closed, with composting, low food miles, recycled & compostable packaging. We chose to locate our kitchen and HQ in the CBD, significantly reducing our transport miles and emissions. Most of our catering will be delivered to you in natural timber boxes. These are handmade by the Salvation Army, employing their Disability Support Program. They are fully recyclable and our couriers will collect them after your event.

# YOU

We work with Melbourne's top tier law and accounting firms, financial institutions, government departments, NGO, IT and creative agencies — organisations of all sizes.

## OUR PEOPLE

Driven and determined, the team is the heart of Goodie Group. Building careers and connections, strengthening everyday, we are proud to serve Melbourne. All of our staff are properly remunerated, superannuated and protected by the federal Award as a minimum. They are well trained, dedicated and rewarded beyond the Award for their extra efforts. Goodie supports AimBig™, providing jobs for people with disabilities. Our internal recruits include refugees and we are a truly diverse team.

**GOODIE GROUP ARE GREAT TO WORK WITH, NIMBLE, FUN, CAN-DO, PUNCTUAL AND RESPONSIVE**
