ORIGINALLY A SHIP CHANDLER'S BUILDING
67 BEACH STREET, PORT MELBOURNE 3207

AUS

ABOUT US

With incredible views and beach frontage over Port Phillip Bay, The Chandlery has a new life as a re-imagined, culinarily focused, private events and dining venue.

Once a bustling ship chandlery (a catch-all one stop shop for ships supplies) during the 1800s, this beachside property is a stone's throw from the historic Station and Princes Pier.

At the heart of our philosophy is a passion for exceptional food and wine experiences that spark curiosity and adventure. We look to celebrate the incredible Australian produce that our local farmers, growers and producers create and enjoy the seasonal bounty that nature delivers.

Our menu is a testament to our commitment to sustainability and genuinely supporting local. We embrace a 'no waste ethos' by the pursuit of sustainable practices, smoking, fermenting, curing and preserving where we can to create new and delicious flavours to build our menus from the kitchen to the bar.

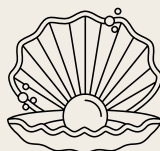

'The Chandlery' is an events space with an emphasis on sharing an incredible dining experience with a menu and drinks list built with love and from the heart, created with the idea of celebrating community and togetherness.

Behind this culinary journey are husband and wife team Francesca and Daniel who share over 30 years of combined hospitality experience. Through their brand, Muse Events Catering, they look to hone the art of crafting unforgettable moments, and now bring their expertise and personality to 'The Chandlery'.

Whether you're dreaming of an intimate beachside wedding, a corporate private dinner, a cocktail launch, or that long-awaited milestone birthday celebration, The Chandlery promises an experience unlike any other. Here, history meets innovation, and every event becomes a unique and cherished memory. Come join us in celebrating life's beautiful moments, one plate at a time.

Capacities:

Sit down dinner- level 1 - 65pax
Standing- ground level and level 1- 120pax
