## the sunnymead difference

Sunnymead Hotel has been designed for fun with warm sunny vibes all year round! Every space at Sunnymead has a touch of nostalgia, a sense of playfulness and a whole lotta personality. Breeze blocks complete our outdoor spaces, livened up with greenery and accented with our signature pop of colour.

We are located on the Great Ocean Road just over 1.5 hours from Melbourne. Our venue will leave an impression on your guests at your conference, business event, launch, special occasion or function!

## make it memorable

We love a pool party or themed function! Our outdoor area was made for entertaining and we welcome you to dress it up however you like! Sunnies Bar is available for functions and events. Make use of our outdoor pool bar and fire pit area, complete with its own pizza oven!

Need help designing your event? We can definitely play on our fun retro-inspired theme or you can create your own. We work with local suppliers who would love to help make your event memorable from photography and videography to music, floristry and styling.

## Santara Restaurant

Our modern fusion restaurant brings Asian-inspired flair to small and larger dishes designed for sharing. Looking to go off-menu? Our Executive Chef will surprise and delight your tastebuds for sit-down sharing plates, canapés by the pool or whatever your style looks like. Just let us know any dietaries and we'll take care of the rest!

Expect colour, fun and a local flavour in our signature sunny style. Share in the fun at the end of your day with a cocktail or two.

# sip. soak. steam.

## Indie Spa

Our unique day spa, Indie Spa, is the place to go for a soak, steam or pamper. Indie caters for couples and groups with shared spaces including a rasul and bathhouse. We also have three private treatment rooms including a dual suite with Vichy shower.

Indie is delightfully different. You'll still find everything you expect from a day spa... beautiful lounge areas, massages, facials and delicious teas, but also the unexpected with themed treatment rooms and a signature cocktail menu!

Reward your team with a spa experience or Indie gift voucher to return and enjoy a steam and soak another time!
