Santara Restaurant

Our modern fusion restaurant brings Asian-inspired flair to small and larger dishes designed for sharing. Looking to go off-menu? Our Executive Chef will surprise and delight your tastebuds for sit-down sharing plates, canapés by the pool or whatever your style looks like. Just let us know any dietaries and we'll take care of the rest!

Expect colour, fun and a local flavour in our signature sunny style. Share in the fun at the end of your day with a cocktail or two.

Indie Spa

Our unique day spa, Indie Spa, is the place to go for a soak, steam or pamper. Indie caters for couples and groups with shared spaces including a Rasul and bathhouse. We also have three private treatment rooms including a dual suite with Vichy shower.

Indie is delightfully different. You'll still find everything you expect from a day spa... beautiful lounge areas, massages, facials and delicious teas, but also the unexpected with themed treatment rooms and a signature cocktail menu!
