REVIEWS

Finding a venue for my daughters 21st birthday party was a challenge until we found Loft West End. A brilliant experience from the initial enquiry to the truly awesome evening. All the staff were so helpful and accommodating, food was perfect both in quality and quantity and the drink options were perfect for all attendees. I would truly recommend Loft West End for any family and friends celebration.

Ella, 2026

I had my engagement party at this venue in the gallery bar and it was incredible! Mick and Tessa organised absolutely everything for us and set the room up beautifully. Everyone had a blast and the food was delicious. It was extremely reasonably priced and the bar tenders were also lovely. Will be recommending this venue to anyone and everyone. 10/10.

Jack, 2025

We travelled to The Loft in Brisbane to attend the 21st birthday party of a special friend. What a great place. The set up is amazing with several different areas you can hire for a full nights entertainment. The chairs and stools are comfortable and there is plenty of space to mingle and relax with other guest. I also should comment about the food. We were served delicious snacks including wood fired pizza and sliders. Craft beer is fantastic and ice cold and easy enjoy a little to much.

The staff were all well mannered and polite. Over all I absolutely recommend The Loft to anyone who needs a venue for there party. They looked after us and made the night an easy one to remember. Thanks to

the team. 10/10
