# TESTIMONIALS

*client*

*Words cannot express how much I would recommend this venue and all their amazing staff. Every step of the way we were guided and supported in the planning process. Nothing was too difficult and the event manager really helped ease my stress leading up to the big day. On our wedding day, the venue was stunningly decorated (they work with amazing suppliers), everything ran to time and it was magical. We had all of our guests compliment the friendliness and efficiency of the staff and the delicious food. Thank you to everyone at RPGC for making our special day magical!*

**Bride, October 2020**

*'Without everyone at the club our day wouldn't have been as amazing as what it was!! The ceremony was amazing, we had so much fun out on the course taking photos. And then walking into the reception, we were just blown away! Everyone told us how amazing it was, the food, the venue, the staff! No one could fault it! You all exceeded our expectations and we will forever be grateful for everything you did for us!'*

**Bride, March 2020**

*It was an absolute pleasure working with Jen Nguyen to host our wedding ceremony at Ryde Parramatta Golf Club. With boundless attention to detail, and professionalism, she patiently walked us through the options of organising our outdoor wedding ceremony and indoor canapes and drinks afterwards. We were delighted with her positive, accomodating, and reassuring attitude and work manner. We are very happy to recommend her as a wedding event and hospitality manager and the Ryde Paramatta Gold Club as a wedding ceremony venue.*

**Bride, June 2024**

*I wholeheartedly recommend Ryde Parramatta Golf Club and their Events Manager Jen! The grounds of the golf club are breathtaking and the perfect backdrop for both a ceremony and the reception. The photo opportunities on the course are absolutely beautiful (special thanks to Kev for taking us out across the course to see where the best places for photos were!). Our guests have not stopped telling us how much they enjoyed our wedding and the venue. To say that Jen was fantastic simply does not do her justice. From the moment we met her, we knew we were in the very best of hands for our wedding. Throughout every step of the ceremony and reception planning process, Jen was supportive, communicative and highly organised. Before we'd even thought to ask a question, Jen already had the information for us. From sourcing vendors to helpful suggestions to preparing run sheets – she was on top of everything. Furthermore, every interaction with Jen was an absolute delight. She is warm, empathetic and kindness personified.*

*We both look back on our wedding day with nothing but unadulterated joy and delight.*

*Thank you RPGC and Jen for making our special day absolutely magical!*
