Frederiks enjoys a fabulous reputation for food and drink. We cater completely in-house to guarantee the standards we'd expect ourselves.

MENUS & MIXOLOGY

Our drinks menus are equally as impressive with elegant cocktails, carefully selected wines - plus a choice of fizz in our decadently delightful Prosecco Parlour.

Of course if you fancy something truly unique to thrill your guests, why not create your very own cocktail. We'll work with you on creating a serve for your wedding day that is totally and utterly exclusive to you.

Weddings are busy occasions, with much to think about. To ensure your planning goes without a hitch, and make life simple. We'll always let you know when we need to catch up to agree things from arrival times to room layout, from food and drink to decor and music.
