neighbourhood kitchen & bar

Welcome to Frederiks

Sitting between the cathedrals on the city's iconic Hope Street, Frederiks has been serving the Georgian Quarter since 2013.

Buzzy and intimate, the hub of a diverse neighbourhood – whether you're coming to us for business or pleasure, we've everything you could possibly desire.

Any of our venue spaces can be hired either privately or with an open venue – from our main restaurant space to our self contained 'Pillbox' and even our cosy sofas in front of a roaring fire.

Music has always been at the heart of Fred's, and we draw an energetic crowd always keen to throw some shapes.

As the true home of live Jazz in Liverpool, Hope Street Jazz performers play three nights a week, while weekends get their disco glitter on, every Friday and Saturday, with resident DJs.

The Pillbox

Hidden behind a sliding wall, away from prying eyes, The Pillbox is one of the city's most exclusive private hire spaces. Perfectly suited for parties and weddings, as well as corporate events, meetings or just a good old-fashioned knees up.

Unlike many venues in the city, this space is FREE to hire, minimum spends apply by the day, please see Terms & Conditions for details.

The Pillbox will comfortably accommodate 120 standing guests and 90 seated. (90 seated will require additional furniture hire, please discuss this with your event manager upon enquiry.
