

Welcome

The Dickens Inn is delighted to welcome you to our beautiful Venue the heart of the City of London.

The Dickens Inn is a picturesque restyled and reconstructed 18th century pub and restaurant, providing an outstanding place to go and enjoy food and drink in the heart of St Katharine Docks in London. With gorgeous pizzas, balcony dining, large beer garden and views of Tower Bridge and the Shard, we're popular with tourists and locals alike.

Just minutes away from the hustle and bustle of the City of London, our spacious and bright function room has big picture windows with the views over the docks towards Tower Bridge, the iconic London landmark. In a purpose-built extension to the original Dickens Inn, the room is beautifully finished in a style complementary to its historic setting, and can be laid out to suit any configuration. It is the perfect venue for a wedding party, conference or private function and now has the benefit of upgraded air conditioning throughout the function space.

If you have any specific requirements please do not hesitate to share these with us and we will be delighted to assist you.
