# FAQ

**Q: Are you available on days/times when you aren't open?**

**A:** Yes, subject to enough notice we will open specially for the right occasion, please email us to start your inquiry

**Q: Can you cater for dietaries in the banquet options?**

**A:** Of course, we know that dietaries are a current way of life for a lot of people, please let us know and we'll let you know how we can accommodate them

**Q: Can I bring my cake in for the event instead of having desert?**

**A:** Because we are a gluten free restaurant, we require any cake you bring in to contain a receipt and be from a gluten free bakery. Alternatively, we can bake a specialty gluten free cake for your event for \$150. We generally find this is the easiest option.

**Q: Can I bring my own sound equipment?**

**A:** No, we have regulated sound in our venue and need to make sure any audio-visual requirements are possible within our license. Please let us know what you need and we can advise you from there.

**Q: Where is the best parking?**

**A:** There is on street parking outside and all around rufio, alternatively there are car parks behind Coles and Woolworths on Carlisle Street

**Q: Do I need to put down a deposit?**

**A:** Yes, all functions above twenty people need to place a credit card on file and pay a 50% deposit.
