

*Rain Dogs*

## Welcome to Rain Dogs

We're thrilled to have you in our newly opened bar, started by Ben, Charlie and Will, three friends who wanted to create a place that would allow them to share their love for top quality drinks, music and great service.

Our menu has been carefully curated with the help of Nick, our Bar Manager, and will be brought to you by our fantastic team - Racharne, Tara, Dan, Jake, Lou, Gabi, Theo, Finn and Sot.

Everyday before we open, we squeeze fresh citrus juices for all our drinks, make syrups in-house and blend our own spirits. Everything you drink has been thought about in-depth ensuring our selection stands out. We focus only on the tastiest ingredients, no endorsements, no buy-ins, just stuff that's worth its merit.

As an independent business it means a lot to us that you're here.  
Thank you. And enjoy!
