INTRODUCTION TO SWINGERS *and* THE ICS

Swingers is brought to you by The Institute of Competitive Socialising.

At the ICS, we believe that life is more fun when there is an element of competition, and that competition is best enjoyed with friends.

Inspired by this belief, we create amazing experiences that combine socializing with competition. These experiences are fueled by mouth-watering street food and fine beverages. Because who is to say that great competitors shouldn't enjoy a burger and a cocktail while they play?

Tucked beneath the streets of New York City, be transported to a world of verdant, undulating crazy golf courses, a 1920s English golf clubhouse, cocktail bars and gourmet street food vendors.

WHAT IS CRAZY GOLF?

Crazy golf is a British term (we might have mentioned that our first two venues are in London). Crazy golf is like mini golf, but way more fun! We have reinvented mini golf for a grown-up audience by adding great food, cocktails and a party atmosphere.
