

INTRODUCTION

Our wine and spirits selection embodies the essence of our restaurant, showcasing what we, as a team, believe best represents us. With a strong focus on Italian and French winemakers, many of whom we count as close friends, our list reflects the restaurant's cuisine and the desires of our cherished regulars. Native Italian varieties sit alongside some of the greats of classical winemaking. Additionally, we offer a selection of rare wines available in limited quantities. Please ask our team who will be delighted to recommend something unique and off the beaten path.

Enjoy exploring our selection, and feel welcome to inquire about our regular winemaker events.
