Club 77 Tech Specs

Technical Specs

Venue Overview

200 capacity nightclub predominately used for DJ and electronic music performances. This heritage venue has been in operation for over 20 years and is one of Sydney's last remaining independently owned, late trade venues. The Club 77 dance floor prides itself on being a safe space for anyone passionate about electronic music and club culture.

DJ Booth

Hardwood custom made DJ booth is 5m wide x 2m deep x 3m high and stabilised with over 900kg of sand and concrete. Features bespoke carved inset space for vinyl turntable and DJ Mixer.
