Established in 2018, Ogden's Brewery is a welcome addition to The Windsor, expanding on the current local beer offering with new, quaffable beers direct from tank to tap.

Located in Garden Bar, headbrewer Mal Secourable focuses on brewing beers using hand sourced, high quality ingredients that not only add variety to the current market but also compliment the warm Perth climate.

Ogden's Brewery has nailed down 3 core beers that run year round; a Lager, a Lite and a Pale Ale. Additionally, Mal gets creative with launching seasonal brews sourcing the best hops, yeast and grain from around the local area and internationally. This year alone we've created a Kiwi IPA, Munich Dark Lager and a Stout.

We also attempt to work as sustainably as possible and excess waste feeds chickens from local farms.

PLUS, we offer brewery tours!

TERMS & CONDITIONS

DEPOSIT

A refundable deposit of \$300 is required for all functions. The booking is confirmed when organisers have submitted their functions booking form and receive a payment receipt of the deposit. Payment of the deposit is your acceptance of these terms and conditions. Deposits will be refunded the week following your function. The deposit is forfeit in the event of cancellation.

CONFIRMATION

The Windsor Hotel does not accept tentative bookings due to the high demand on our function spaces. Once the Booking Form has been received, our Functions Co-ordinator will check the details, process the deposit and confirm your booking by email. No function will be considered as booked until this process has been completed.

FINAL NUMBERS

All of our spaces have minimum number of people required to hire a space exclusively. Should your final guest count be considerably less than this you will be required to pay the minimum or have your event moved to a more appropriate space. Whilst we will do our best to facilitate any increases in numbers at short notice, this will be dependent on other existing bookings and the capacity of the venue on the day.

FINAL PAYMENT

Final payment of food and beverage packages is due by credit card 2 weeks prior to the function. Bar tabs are payable on conclusion of your event. If numbers increase past this date please inform us and we will make additional payment. If your numbers drop following the full payment of your function total, the full pre ordered/prepaid package will be served on the night and no refunds given. Credit card surcharges apply.

WEATHER

Please note that many of our function venues are outside, and some uncovered. Please enquire if you are concerned about the weather interfering with your event. In the case of rain, functions on the Starboard Deck are relocated to the Zephyr Room (where permitted) and those on the Verandah will be relocated to a section of Mends Street bar. We may be able to provide fans or heaters on request.

PHOTOGRAPHY

Engaging external photographers is not permitted. We have a roving photographer during peak periods and many photos can be found on our social media. Alternatively speak to your function co-ordinator about a photography package.

CANAPES

Canapes are portioned per head and must reflect the actual amount of people attending your event. If large numbers of additional guests arrive at an event without being catered for, you may be charged following your event. We are unable to allow the split ordering of canapes and all canapes will be served the same. Many of our canapes can be made vegan, gf, etc so please enquire with the Functions Coordinator you have any dietary requirements. Please reflect all dietary requirements in your canape choices. Unless previously arranged with your Functions Coordinator, canapes will be served in 15 minute intervals until all pre-ordered food has been sent out.

DRESS CODES

Function guests are to abide by dress codes pertaining to the function venue. Please familiarise yourself with these standards and advise guests accordingly

CAKEAGE

We are more than happy for you to bring a cake to your event free of any cakeage. Please arrange this with our functions manager and hand the cake to staff on your arrival for safe keeping. Alternatively have it delivered prior to the event.

BEVERAGE

There are several drinks options for your function at the Windsor Hotel including on consumption restricted or full bar tabs and cash bar for guests to purchase their own drinks. Alternatively you may choose to order one of our drinks packages outlined earlier in this booklet. All beverages are subject to availability and wine vintages may change without notice. If you foresee the need for a large amount of a specific product for your event please allow at least 7 working days notice. Drinks packages are the only way to pre-pay beverages. All 18+ guests must be catered to on purchasing a drinks package and only the prepaid number of wristbands will be provided for accessing package drinks at the commencement of your event. If there are additional attendees requiring access to the drink package extra wristbands can be provided and these will be charge on the day. Only one drink at a time will be served per person. No shots allowed. Unused wristbands will not be refunded in the event of no shows.

PARKING

Our rear car park offers paid Wilson Parking 7 days per week. We are able to offer function organisers 1 parking pass, available for collection at the start of your function, enabling free parking to you. Parking passes do not guarantee a space in the car park.

CHILDREN

To comply with WA law, all guests under 18 years of age must be accompanied by their own parents or a legal guardian, who must stay with them for the duration of their time within the Windsor. The Windsor Hotel has an in house music system which includes an extensive collection of regularly updated music; this plays throughout the venue.
