Rhum Tavern

Cocktails & Grill

..... A love Story to Rum.....

A Cocktail bar celebrating the diversity and expressions of Rum. Styled in the form of a ships hull, circa 1650's golden age of Piracy. Rhum was the main cargo that was transported on the infamous skipper and now the bar servers & cooks mix up with flavors from across the globe into Grogg's, Cock-Tails & delicious Grilled food from the salivating master cook.
