

Stories From The Studios

A curated musical experience

Stories From The Studios

Abbey Road presents a new, truly unique event experience; *Stories From The Studios*.

A curated journey through the fabled history of the most celebrated recording destination in the world, *Stories From the Studios* is an enchanting experience that brings the Studios to life through elegant storytelling and bespoke live performances of the most iconic songs and films scores from Abbey Road's history.

Set inside the legendary rooms where music history has been made for over 92 years, this unforgettable event brings the audience inside the mythical world of Abbey Road, through a curated presentation of stories, imagery and exquisite live musical interludes.

**Iconic moments.
Legendary artists.
Ground-breaking albums.**

A flexible event for groups of all sizes, *Stories From The Studios* is an exclusive experience featuring tales of **iconic artists**, **ground-breaking albums** and **legendary music moments**, brought to life through beautiful storytelling, all within the famous walls of our famous North West London Studios.

The experience is interwoven with specially commissioned live performances of the most iconic music from Abbey Road's history, bringing the legendary story to life for the audience, all inside the very rooms where the music was first heard and recorded.

Stories from the Studios is a timeless and unforgettable journey through the heart and soul of the people, stories and sounds that have defined popular culture, and changed the course of music history, forever.
