"SELECTED FOR LOCATION, BUT **STAYED FOR THE SERVICE!** If you choose to take space here, you will be very happy. There is a real community feel within the building, spearheaded by Maria and her team that run the building. They provide a real personal touch and they run some really fun events! Highly recommended!"

-Graham S

"Maria and Ana run the place very well, if things break, **they get it fixed quickly** with a minimum of fuss, there is a high degree of cleanliness."

— Steve Evans, FDU

We are tenants at The Office and couldn't be more pleased to be here! Ana and Maria do a stellar job of running the day-to-day and are always there to ensure everything is going smoothly as it should be. The communal spaces are well maintained and stocked (Nespresso, fruits, milk & alternatives. etc.) and create a **very social atmosphere in the building.**

It has been an absolute pleasure coming in to work here :)"
