OUR SPACES

The Gantry

(Studio A)

Bold, versatile, and rich in character.

The Gantry is our signature event space—offering **250 square metres of open-plan flexibility** beneath a soaring **10.4-metre ceiling**. A standout feature is the original overhead gantry crane, a striking reminder of the venue's industrial heritage as a former paper mill.

This is a space that makes an impression. With a clear-span layout, The Gantry adapts effortlessly to a wide range of events—from brand activations and cocktail receptions to product launches, screenings, creative workshops, and private celebrations.

Overlooking the space is an **117sqm mezzanine**—perfect for VIP hosting, bar service, event control, or simply a unique vantage point.

OUR SPACES

The Gantry

For Dance & Musical Theatre

Originally built as a dance studio, our venue is one of the largest and most versatile rehearsal spaces in Sydney—perfectly suited for **Dance, Musical Theatre**, and **performance-based rehearsals**. The studio features a fully sprung hardwood flooring with a tarkett that can be rolled out to cover the entire space.

Mirrors extend the full length of the room, concealed by curtains when required and we also provide 30 metres of portable ballet barres.

OUR SPACES

The Walton Room

(Studio B)

The Walton Room is a thoughtfully designed **78.7sqm** space that offers flexibility, flow, and functionality in a clean, contemporary setting. It transforms from a private breakout room to an open-plan foyer, **extending up to 27 metres** when joined with adjacent spaces. This makes it ideal as a guest arrival point, cocktail pre-function area, or even a gallery-style walk-through leading to the main event in The Gantry.

Tri-fold front doors open to a generous 3.2m wide x 2.7m high entrance, providing an accessible welcome for guests, suppliers, or large-format deliveries.

Also suitable for Dance rehearsals with Sprung Flooring and mirrors.

OUR SPACES

The Ngarra Room

(Studio C)

Quiet and intimate, The Ngarra Room offers **112 square metres of flexible space**—ideal for breakout sessions, small group activities, wellness moments, or reflective gatherings.

Taking its name from the Dharug word “Ngarra,” meaning “to listen,” the room invites focus, presence and connection—making it the perfect complement to the larger energy of The Gantry and The Walton Room.

With **hardwood flooring** and **dimnable ceiling lights**, the space can be adapted to suit a variety of formats—from intimate discussions and creative workshops to preparation zones or hosting smaller guest groups.

Also suitable for Dance rehearsals with Sprung Flooring and option of Hardwood Sprung Floors or Tarkett Rolled out.
