# Schedule 1

## Rules of Shooting

1. Each member of Archery Fit has a duty to ensure that their actions do not compromise the safety of themselves or others.
2. Each member is doing archery at their own risk in respect of personal injuries.
3. No member may direct their bow towards people. It does not matter whether it is charged with an arrow or not.
4. No member may draw their bow, with or without an arrow, except when standing at the shooting line and after the range captain (instructor/ coach/ judge) allows it. Each member shall aim toward the targets but only after being satisfied that the range is clear both in front of and behind the targets.
5. When drawing back the string of the bow no member shall use any technique which, in the opinion of the coach, could allow the arrow to fly beyond a safety zone or safety arrangements (overshoot area, net, wall, etc.). Do not change body position once the bow is drawn. Do not draw a bow towards up and shoot up.
6. No member may shoot a target other than the one allocated to them.
7. No member may draw their bow without an arrow, except on a clear instruction of the coach. Bows will break after a single dry shot.
8. Members shall retire from the shooting line as soon as their last arrow has been shot.
9. Members shall not leave their equipment closer than 1 meter to the shooting line.
10. Members may go (no running) to collect arrows from the target only after the range captain (instructor/ coach/ judge) allows it. Do not enter a range in front of shooting archers.
11. Members shall take precautions pulling arrows from the target not to block/ injure other members.
12. Members shall unpin their target face and leave it in the designated place in the end of the session.
13. If anyone present where archery is taking place becomes aware that shooting should be halted for safety reasons, that person must call "FAST". On hearing this call, all archers must immediately stop shooting, returning all unshot arrows to the quiver. If necessary, the call of "FAST" should be repeated by other archers to ensure that everyone has heard and stopped shooting. Shooting will recommence only on the clear instruction of the coach.
14. No member is allowed to provide coaching at Archery Fit facilities in any form.
15. Members are prohibited to do archery under alcohol or drugs.
16. If a member feels unwell they must stop training and notify the coach.
17. Members shall check their equipment at all times and immediately report any defects and faults to the coach. Do not use faulty equipment.
18. Members shall not talk in a loud voice whilst others are shooting. Do not talk to other archers who obviously prefer to be silent. Do not make any exclamation on the shooting line that might disconcert a neighbour in the act of shooting.
19. No member may touch anyone else's equipment without permission.
20. Members and persons not involved in the shooting shall not be closer than 2 meters to the shooting line.
21. Members shall not leave litter.
