Start the day and develop the balance of your muscle structure to obtain body symmetry and harmony, as well as increasing your physical and mental capacities. During this lesson, an experienced yoga teacher will take you through poses that stretch, flex and strengthen your body.

Or take it to the sea as the island offers excellent conditions for water sports enthusiasts of all ages and experience levels. Enjoy point breaks to reef breaks for surfing, calmer waters with a constant wind force for windsurfing or stand up paddle.

With 2 tennis courts, we can organize you a tennis instructor to join the group for a private lesson or join us in our greenhouse for exclusive cookery, flower or aromatherapy workshops, which can be organized for up to 20 people.

In the evening join us for an event hosted by the Madeira Wine Company, who will give a fascinating talk on the island's wine tradition, followed by a tasting of some of their delicious wines accompanied by cheese and cake from the hotel.

## OUT AND ABOUT

The third-highest mountain, Pico do Areiro, is an impressive 1,818 metres high, yet in a 4x4 Jeep we can

drive you all the way to the top. Above the clouds, you'll watch the sun rise, illuminating panoramas.

If you'd rather go down than up, descend the panoramic cable car to Fajã dos Padres, a secret coastal enclave where Malvasia vines, have been revived to produce malmsey wine. Enjoy a tasting in this hidden Eden, which is home to organic gardens.

Take to the water. Set sail to explore the treasures of our ocean, go whale watching and even swim with dolphins. Or dive into the wild Atlantic and enjoy a water sport. Whether windsurfing, scuba diving or deep-sea fishing, a whole new, blue world awaits.
