

LUNCH & DINNER

Available at ALL Friedmans Locations

\$52 PER PERSON Before standard fees & tax Friedmans offers a **group menu**, carefully crafted from most high demand items suitable for lunch or dinner service. If you are not in need of a Private or Semi-Private space, our Main Dining Room environments are a lively atmosphere capable of hosting larger groups — just like yours!

Our menu suggests "The Friedmans Family" first course shared plates and individualized second course main dishes. We understand larger groups require more time than a smaller group. Each large group booking will be allocated 2 hours of total time to enjoy the Friedmans experience.
