SONIA FREEDMAN PRODUCTIONS CAST PARTY

Went to STEREO for our 2023 Christmas party and everyone had the best time – people are still talking about it! The food was tasty, the drinks flowed and spoilt for choice with entertainment...the band were out of sight. Totally recommend STEREO for a top night out.

ZENITH MEDIA CHRISTMAS PARTY

“The team at Stereo were so helpful and kind to accommodate a morning for us to shoot a new campaign. We needed a location that felt luxurious and theatrical, with a beautiful interior. It doesn’t feel like you are in London, which is refreshing! As you enter and walk down the stairs, you get an overview of the whole venue with a real “wow” effect”. Would definitely shoot there again if the opportunity arises.”

BUCHERER / LUXURY WATCH RETAILER

STEREO were a dream to work with, from the first meeting to execution it was a smooth and seamless process. The space was perfect for the event with a fully functional kitchen, amazing sound system and dancefloor and the whole team were so efficient and professional.

ALVARO BARRINGTON TATE BRITAIN AFTERPARTY

From start to finish, the team were exceptionally accommodating, and delivered outstanding service on the night, creating an unbeatable atmosphere. Their quick responsiveness and flexibility made planning a breeze, allowing us to focus on creating an unforgettable night. The venue itself is fantastic for music events. The sound system is great, providing clear and immersive audio that elevated the listening experience and kept the energy high all night long. The ambience and interior of STEREO perfectly matched the vibe we wanted to create for the event. We highly recommend STEREO for anyone looking to host a memorable music-focused event. We couldn't have asked for a better partner for this special project!

STUDIO DREAM FOR TEMS' ALBUM LAUNCH PARTY

**STUDIO
DREAM**

Thank you to Stereo, especially Gillian, for accommodating our recent event. It was a huge success and that's down to her investment in our event, from the moment we met her she was warm and welcoming, totally got what we were trying to achieve and contributed with ideas and offered suggestions, even down to the minor details of artwork on the menus. The space was perfect, despite being a large venue, we used a small section, and it didn't feel empty - having lots of different areas provides such an interesting, dynamic and variable space. Gillian and the team were so professional and helpful, from the pre-planning to the execution on the night. We will absolutely book Stereo again and look forward to booking other venues within the Experimental Group for future events.
