TESTIMONIAL

“ We hired Sugar and Rind to help us organise our Christmas party - cocktails, seated dinner, band and dancing for 160 people. We recommend them most highly! The first and most important thing to say it was a complete blast! So fantastic, such fun, we are still on a complete high. As are all our guests - they've called it the Christmas party of the century!! Having Philly working with us on this made organising the party as stress free as you could hope, and her expertise and knowledge is what made it so perfect.. ”
